

DHL PARCEL UK INTERNATIONAL LABEL ADVICE

THANK YOU FOR BOOKING YOUR PARCEL DELIVERY WITH DHL PARCEL UK.

To ensure your parcel reaches your recipient safely and there are no delays, please follow the below steps.

Step 1.

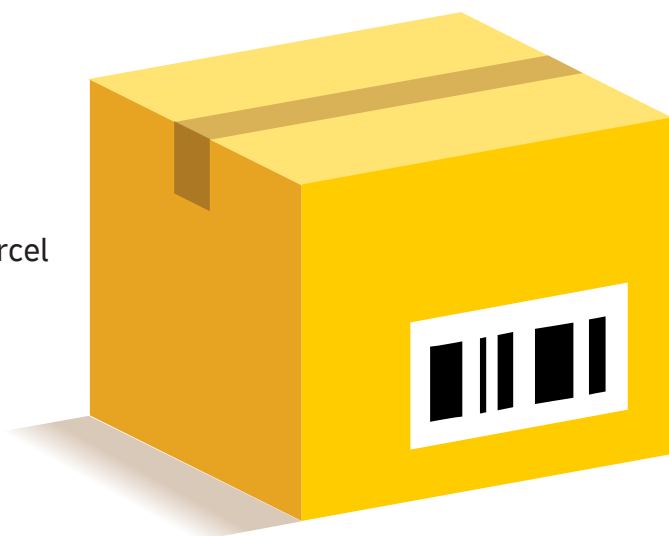

In this pack, we've included all of the paperwork you need to send your parcel to its destination country.

You should have:

- 5 commercial/proforma invoices per parcel
- 1 Address Label per parcel

Step 2.

Securely affix the address label to the outside of your parcel – preferably in a waterproof docket.

Step 3.

DO NOT HAND ANY PAPERWORK TO YOUR DRIVER / DROP OFF POINT. You will need to securely affix all 5 copies of the commercial/proforma invoice to the outside of your parcel – preferably in a waterproof docket. We also recommend putting an additional copy inside your parcel. Failure to do so will result in your parcel being refused or held – incurring additional delays

Your parcel should not contain any food items or dangerous goods i.e. perfumes, aerosols or liquids so please take care to remove any such items before sealing it up.
